WORKSHOP 13:30 h

l'équilibre du plateau

90 M

French & German

The workshop aims to work on the iconic exercise of the "balance of the set" proposed by Jacques Lecoq in his book "Le Corps poétique". Participants will be asked to follow the instructions, as explained by Jacques Lecoq himself, taking all the time necessary. Some participants will experience the exercise, while others will observe them.

An open discussion will follow, where we will discuss the direct applications for actors and directors, and replace this exercise in Jacques Lecoq's pedagogy as a whole.
